

HARVEST

What does it look like for you to walk by faith in Jesus today?

Is there an area of your life you have been resisting giving up control to Jesus?

As you read Isaiah 5, do you hear God's heart for His people? He wants His people to know and obey Him. He wants them to live with Him and know His blessings. But, they had persisted in sin, and God had to correct them. As you read the "woes" of Isaiah 5, how do they relate to what we see in our world today?

Is there something from the sermon, or from your own devotional time, that spoke to you, and you would like to share?

Is there something you need prayer for this week?
