

# HARVEST

The devotional passages all relate to the concept of being found ready when Jesus returns. How would you describe a life that is watchful and ready for the return of Jesus?

What might hinder you from remaining ready and watchful for the return of Jesus?

Take time to focus on God this week and meditate on Him. Love Him with your mind. What has God shown you about Him and yourself as you love Him with your mind?

Is there something from the sermon, or from your own devotional time, that spoke to you, and you would like to share?

Is there something you need prayer for this week?
